

# What's hiding behind a polished finish?

Some businesses are not always what they seem

Signs of slavery are often hidden making victims even harder to recognise...

- Can they speak English?
- Are they unusually quiet for a beautician?
- Do they have an untidy appearance?
- Does someone always talk and take payment for them?
- Is there a lack of professional qualifications on display?
- Does it look like someone could be living at the salon?

Slavery still exists. If you can see them – **be their voice**

- Call the National Modern Slavery Helpline on **08000 121 700**
