

What's the true cost of having your car washed?

Some businesses are not always what they seem

Signs of slavery are often hidden making victims even harder to recognise...

- Does one person always take the payment?
- Are the staff dressed in appropriate clothing?
- Is the car wash over staffed?
- Do expensive cars come and go without being washed?
- Do the workers seem uneasy and under pressure?
- Is it strange that there are no staff vehicles parked on site?
- Is there a container or caravan on site where workers could be living?

Slavery still exists. If you can see them – **be their voice**
